**The Year of the Jubilee is a special time when all earthly transgressions are forgiven**

**“The 50th year brings rest to the earth”**

The Jubilee Angel heralds the Year of the Jubilee. After seven, seven-year cycles, or 49 years, the 50th year brings grace for all the suffering children of man, freedom to the captive, relief to the weary and rest to the earth. The Angel stands atop the sphere of the Earth, surrounded by the seven celebration bells. Her message ascends in the form of the sweet and tender Dove of Peace.
